School Pictures

The Village Photographer will take school pictures on October 15th and 16th. Envelopes with prices will be handed out in advance. Photos will be returned in plenty of time to make wonderful Holiday gifts. If your child does not normally attend on these days, please bring them for pictures on one of these days because we love to have all the children in class photo.

Harvest Parties!

A signup sheet for candy and non-food items will be posted. Remember to check candy ingredient labels – no nuts please. Thank you for your help with this theme day.

- 2's class party will be Friday the 30th
- 3's classes parties will be **Thursday the 29th and Friday the 30th.**
- 4's Classes party on **Friday, Oct 30th in both AM and PM classes.**

Label All Items

Please put your child's name on all items, book bags coats, show and tell, and other items. It minimized confusion.

Lost and Found

If your child does loose an item, please talk to your child's teacher and check our lost and found near the secure door.

Book Orders

Every month we send home book order forms. There are many books to choose from in the forms, but if you go online there are books for preschool through young adult to purchase.

Your book orders through scholastic books allow Parma Kids to get free books for our classrooms, so thank you for your orders!

When ordering online, you can use the classroom code **DZPB2** to find Parma Kids.

No Preschool 10/12

There will be no preschool programing on Monday October 12 in observation of Columbus Day. Daycare will remain open as usual. Please sign up if you are in need of care for that day so we can plan for adequate staffing.

Fire Safety Month

October is fire safety month. All of the preschool classes will get to and practicing stop, drop, and roll. Look for a practice fire drill form coming home this month. We practice fire drills at school every month; having a prearranged meeting place for your family when there is an emergency is important to make sure everyone is safe. The fire department recommends a place they could see that everyone is out and safe, but not in the driveway.
